

LAKE COUNTRY ACADEMY

SHEBOYGAN, WI

The design and construction of the 17,958 square foot, 2-story classroom addition to Lake Country Academy began in October 2012. It included the addition of 10 classrooms and was complete in 2013.

The expertise and commitment provided by Jos. Schmitt & Sons Construction is unmatched. Working with their entire crew has been professional, reliable, and outstanding in every way. The workmanship, communications, scheduling and value of this project have exceeded our expectations. We could not have asked for a better team to work with on this expansion project.
